**CHRISTMAS VIDEO**

*I sat and watched the Christmas video  
Satisfied to a degree  
But just who was that woman  
Who chatted incessantly*

*On and on she went  
About every subject she could invent  
Every silence she would fill  
Every subject seemed to fit the bill*

*I wonder who invited her, I don't remember asking  
Was she a friend or a neighbour just passing?  
I'm glad I'm quiet and not like some folk!  
I sit and think before I open MY mouth to talk*

*Just a minute she's coming into view  
The camera's just focused on her pew  
If she turns round a bit more I'll be able see  
Ah! There we go I see her now .....oh my goodness **THAT'S ME!***

*(A tongue in cheek poem by Liz after listening to herself on video)*
